

Karent Sierra
Dentist
Cast Member, Real Housewives of Miami

“Beauty is in the eye of the beholder” states the old adage or maybe beauty is the eye of Dr. Karent Sierra. Born in New York to Colombian parents, “Dentist to the stars”, Dr. Sierra runs a cosmetic spa dentistry practice in the heart of Coral Gables. Just steps away from the luxurious Merrick Park Mall she aims each day to redefine cosmetic dentistry as we know it. Dr. Sierra provides a spa-like atmosphere which turns typically frightful dental experiences into soothing and relaxing visits. She firmly believes that creating “perfect” smiles for her patients changes their lives. She feels Cosmetic Dentistry is about giving people back their long lost confidence through creating beautiful new smiles by design. Dr. Sierra is one person who knows beauty.

The former beauty queen reigned as Miss Carnival Miami in 1992 and was a featured model on Latin TV working on various commercials, infomercials, and enjoying stints as a hand model. Dr. Sierra went on to study at Marquette University and earned her certification through the Las Vegas Institute which is regarded as the Mecca for cosmetic Dentistry.

Dr. Sierra specializes in full mouth extreme makeovers. The trust she has earned allows her a truly “fabulous” client following of some of Miami’s most recognized smiles including: Pitbull, Jon Secada, Thomas Kramer, Tom Daily, and famed shoe designers Donald J. and Lisa Pliner. Dr. Sierra considers her practice a dental boutique offering first rate treatment, state of the art equipment and the luxuries expected at a spa. At her practice one is expected to have all five senses stimulated. Aroma therapy, soothing music, beautiful visuals, relaxing sensations, and even something to delight taste buds are all part of a patient visit. Currently Dr. Sierra can be seen in the current ads for Colgate for the Hispanic market as their current spokeswoman. In addition, she is also active in a myriad of charitable organizations and shooting a TV pilot. She is a Real Housewife of Miami cast member for Season 2 which will air on BRAVO Thursday September 13, 2012 at 9/10c. For a “sneak peek” of the trailer: <http://t.co/J1kCFuFn>. Karent has done an array of commercials, infomercials, and stints as a hand model. She resides in Coral Gables.
